mark here's the info on eric's place if you want to check it.

=====

our apartment is located on tennessee and 22nd, near esplanade park and the hell's angels headquarters. vroom! as i type this, there are 5 painters repainting the outside of the house, replacing the front stairs, and treating the back deck. we have a nice back yard and plenty of street parking.

our flat has two stories, eric's and my bedroom is upstairs, and we would like to test out the space we currently use as a guest room :2 very
